
Title: Wellington's Log

Author: Wellington the Digger

-1-

Snooty Vesper
arrkeyolijists,
archeyolijists-- however it
be spelled, they be
snooty. I get why they
gotta write down what
we find, why do I haveta?

-4-

Been down here for four
days now and not struck
anything at all. Startin'
to think switching from
the mines o' Minoc to
digging for Vesper was a
bad idea.

-7-

The other lousy digger
struck the chamber first
and got a bleedin' gold
bonus! It's not like I
didn' help dig the tunnel
all the way there!

-11-

I want to leave. Let me
leave.

-13-

C--cold. So--- so
c-c--old.
